Issued On: 03 Nov 2025

EXPERIENCE CERTIFICATE

This is to certify that Mr. **Furqan Ahmad** was employed with Createch IT Solutions (SMC) Pvt. Ltd. Swat, Pakistan, as a MERN Stack Developer from **November 3, 2023 to November 3, 2025**.

During his tenure, Mr. Furqan Ahmad contributed to the design and development of full-stack web applications using MongoDB, Express.js, React.js, NextJS, and Node.js. He worked remotely from November 2023 to June 2025 while pursuing his Bachelor's degree in Abbottabad. After completing his studies, he joined our Swat office and continued working on-site from July 2025 to November 2025.

He consistently demonstrated strong analytical and problem-solving skills, effective collaboration in agile development teams, and a high level of professionalism in all assigned tasks. His work has been valuable in enhancing system performance and user experience across multiple client projects.

We have found him to be a dedicated and skilled professional, and we wish him every success in his future academic and professional pursuits.
